

PUBLIC FORUM
PART 8. ELECTRICAL CODE
June 20, 2006, 1:30 P.M.

The Bureau of Construction Codes and Fire Safety is in the process of updating the electrical code rules and expects to adopt the amendments in mid 2007.

In order to allow individuals an opportunity to ask questions about proposed rules, a public forum has been scheduled for Tuesday, June 20, 2006, at 1:30 p.m. at 2501 Woodlake Circle, Okemos, Michigan 48864, conference room 3, 1st floor.

This forum does not replace the public hearing which will be scheduled later in the year. However, unlike a public hearing it is interactive. The public will have an opportunity to ask questions regarding application and implementation of proposed rules.

Copies of the proposed amendments to the Michigan Electrical Rules may be obtained for a fee of \$3.00 by submitting a check or money order, made payable to the State of Michigan, to the Bureau at the address below. You may download a free copy of the draft rules by visiting our website at www.michigan.gov/bccfs. The draft rules are located under the What's New section.
